The Honorable Sue L. Robinson  
United States District Court  
844 King Street  
Wilmington, DE 19801

Re: Boston Scientific Corp. and Boston Scientific Scimed, Inc.  
v. Conor Medsystems, Inc., 05-768-SLR (D. Del.)

Dear Chief Judge Robinson:

We write to respectfully submit a proposed Stipulation of Dismissal Without Prejudice for the Court's consideration.

By way of background, Conor has publicly announced that it is no longer seeking U.S. FDA approval for the CoStar stent accused of infringement in this action in its current form. Given this announcement, and the years of studies likely necessary before any other version of the CoStar stent could be ready for FDA approval, BSC proposed to Conor that the parties agree to dismiss this action, without prejudice, with each side to bear its own fees and costs, including attorneys' fees. Conor agreed to this dismissal without prejudice.

A proposed order is attached and the parties jointly request that the Court enter that order.

Respectfully submitted,

Karen L. Pascale (No. 2903)
